

WHI Follow-Up Dataset

**HRT and CaD Unblindings Prior to Study Closure**

**Data File:** unbl\_ct\_pub      **File Date:** 07/20/2007      **Structure:** Multiple rows per participant      **Population:** HT & CaD participants

**Participant ID**

**Variable #** 1

**Sas Name:** ID

**Sas Label:** Participant ID

**Type:** Continuous

**Usage Notes:** none

**Categories:** Study: Administration

**Study for which unblinding occurred**

**Variable #** 2

**Sas Name:** UNBLSTDY

**Sas Label:** Study for which unblinding occurred

**Type:** Categorical

**Usage Notes:** none

**Categories:** Study Interventions: Unblinding

**Values**

1

HRT Unblinding

2

CaD Unblinding

**Unblinding sequence within study**

Unblinding sequence within study for the participant

**Variable #** 3

**Sas Name:** UNBLSEQ

**Sas Label:** Unblinding sequence within study

**Type:** Continuous

**Usage Notes:** none

**Categories:** Study Interventions: Unblinding

**Unblinding days since CT randomization**

**Variable #** 4

**Sas Name:** UNBLDAYS

**Sas Label:** Unblinding days since CT randomization

**Type:** Continuous

**Usage Notes:** none

**Categories:** Study Interventions: Unblinding

**Unblinding days since CaD randomization**

**Variable #** 5

**Sas Name:** UNBCADDY

**Sas Label:** Unblinding days since CaD randomization

**Type:** Continuous

**Usage Notes:** none

**Categories:** Study Interventions: Unblinding

**Unblinding due to study medication adverse effects**

**Variable #** 6

**Sas Name:** ADVERSE

**Sas Label:** Unblinding due to study medication adverse effects

**Type:** Categorical

**Usage Notes:** none

**Categories:** Study Interventions: Unblinding

**Values**

0

No

1

Yes

WHI Follow-Up Dataset

**HRT and CaD Unblindings Prior to Study Closure**

**Data File:** unbl\_ct\_pub      **File Date:** 07/20/2007      **Structure:** Multiple rows per participant      **Population:** HT & CaD participants

**Unblinding due to overdose**

**Variable #** 7

**Sas Name:** OVERDOSE

**Sas Label:** Unblinding due to overdose

**Type:** Categorical

**Usage Notes:** none

**Categories:** Study Interventions: Unblinding

**Values**

0	No
1	Yes

**Unblinding due to other medical problem**

**Variable #** 8

**Sas Name:** OTHERMED

**Sas Label:** Unblinding due to other medical problem

**Type:** Categorical

**Usage Notes:** none

**Categories:** Study Interventions: Unblinding

**Values**

0	No
1	Yes

**Gynecologist or designated physician consulted**

**Variable #** 9

**Sas Name:** GYNCNSL

**Sas Label:** Gynecologist or designated physician consulted

**Type:** Categorical

**Usage Notes:** none

**Categories:** Study Interventions: Unblinding

**Values**

0	No
1	Yes

**Attempted to treat condition without unblinding**

**Variable #** 10

**Sas Name:** TREAT

**Sas Label:** Attempted to treat condition without unblinding

**Type:** Categorical

**Usage Notes:** none

**Categories:** Study Interventions: Unblinding

**Values**

0	No
1	Yes

**Order to unblind given by gynecologist/physician**

Order to unblind given by gynecologist or designated physician

**Variable #** 11

**Sas Name:** GYNORDER

**Sas Label:** Order to unblind given by gynecologist/physician

**Type:** Categorical

**Usage Notes:** none

**Categories:** Study Interventions: Unblinding

**Values**

0	No
1	Yes

---

**Order to unblind given by PI**

Order to unblind given by Clinical Center Principal Investigator

**Variable #** 12

**Sas Name:** PIORDER

**Sas Label:** Order to unblind given by PI

**Type:** Categorical

**Usage Notes:** none

**Categories:** Study Interventions: Unblinding

**Values**

0	No
1	Yes
